### **Other Information**

- Please note that the South England Conference is not responsible for any damage/loss of Mobile phones or other electronics you choose to bring on the trip.
- Behaviour: We expect all volunteers to exhibit Christlike manners throughout the duration of the trip. During this experience, we represent not only ourselves but also the South England Conference and our local churches. We encourage all to attend with an attitude of fun and enthusiasm, where disobedience, bad language, and inappropriate gestures (including physical altercations), will not be tolerated.
